Career Objective

Aspiring IT professional currently pursuing a Master of Computer Applications (MCA), seeking an entry-level position in the IT industry. Eager to apply academic knowledge and technical skills to contribute to innovative projects and solutions. Committed to continuous learning and professional growth in a dynamic and collaborative environment.

Skills

Programming Languages: Java,C, C++, PHP, HTML, CSS, SQL
Software: Excel,Word, PowerPoint, Canva
Soft Skills: Communication, Problem Solving,Time Management, Adaptability ,Creativity

Projects

Minimart – Local B2B Platform
Built a B2B web platform using React (frontend), Django (backend), and PostgreSQL to empower small-scale sellers of local goods. It features separate buyer/seller accounts, product/category management, wishlists, carts, orders, and order tracking. A standout inquiry system lets buyers request details directly—upon seller approval, an order is auto-generated—streamlining communication and improving transparency.

Ambalapuzha Temple Connect
Developed a comprehensive web-based management system for Ambalapuzha Temple, enabling services such as darshan booking, marriage registration, palpayasam orders, vazhipad offerings, and online donations. Integrated basic crowd management features to enhance user convenience and temple administration efficiency.
- Designed a user-friendly interface using HTML, CSS, and JavaScript.
- Implemented a scalable PHP backend for high performance.

Workshops and Seminars

- **Seminar on Underwater Acoustic Communication** — Covered key concepts, technologies, and applications in underwater data transmission.
- **Android Basics Workshop by Zoople** — Gained hands-on experience with Android Studio and core development practices.
- **MERN Stack Certificate Course (Basics)** — Completed a 3-day program focused on MongoDB, Express.js, React.js, and Node.js development.

Certifications

- **MERN Stack** — KGISL MICROCOLLEGE, 2024
- **Google Cloud Career Readiness Certificate** — Google Cloud, 2024
- **Python Basics for Data Science** — edX, 2023
- **Introduction to Python** — DataCamp, 2023
- **Advanced Excel** — ICT Academy of Kerala, 2022

Education

Bachelor of Computer Applications (BCA)

Nirmala College, Muvattupuzha

2022 - 2025
